

Scheduling your Surgery with Dr. Millet

Dr. Millet operates at *Ochsner Baptist* on Mondays and Fridays and at *Crescent City Surgical Centre* on Wednesdays. Your insurance will dictate where we schedule your operation. Medicare insurance requires we operate at *Ochsner Baptist*.

Please call Erin, Dr. Millet's nurse practitioner, at 897-6351 Ext. 218 or email her at EKernaghan@southern-ortho.com. Please note that it may take 3-4 business days to notify you of a surgery date.

Include in the message if you want your surgery as soon as possible or when you would like to schedule (be specific if you want the beginning, middle, or end of the month). Also it is helpful if you can leave your first, second, and third preferences.

All total joint replacement surgeries require medical clearance from your PCP (and cardiologist if necessary). Please make arrangements to be seen by your physician within a month of your planned procedure. Many physicians have busy schedules so do not delay in scheduling your appointment.

Once your surgery has been scheduled, you will be mailed/emailed a packet of information regarding surgery. Please read it carefully and call/email Erin with any questions.

It is a time consuming process to schedule surgery for everyone involved. We ask that once your surgery has been scheduled, please avoid having to reschedule.

Thank you,

Dr. Millet and Staff
